STEP 2 Tell us about your family.

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage).

DO Include:

- Married or unmarried parents (of an applicant under 21) living in the home

- Include these people even if they aren't applying for health coverage themselves: Any parent (or stepparent), sibling, son or daughter (including stepchildren) they live with, and any other person on the same federal income tax return.

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.

Health (Managed Care) Plan Selection (FAMIS only)

The section will not be used if the applicant is determined eligible for Medicaid or for coverage through Virginia's Insurance Marketplace. If that occurs you will need to enter a new plan selection process.

Most Medicaid and FAMIS members get care through a health plan, also known as Managed Care. Each health plan has a network (group) of primary care providers (PCPs), specialists, hospitals, and other health care providers. If you are approved you will be "pre-assigned" to a health plan and will receive a letter explaining assignment.

Members have 90 days from the date on the letter to change the health plan. All family members do not need to have the same health plan. To research or change your health plan, search for doctors, check your enrollment and more, go to the Medicaid Managed Care website **www.virginiamanagedcare.com.**

If anyone is determined eligible for FAMIS and you want to select your health plan in advance, please check one of the following and list their name(s) below:

☐ Aetna Better Health of Virginia: _____

- I understand that DMAS has the responsibility to recover money from the estate of a Medicaid member age 55 and over. Recovery may take place only after the death of the surviving spouse and only if there are no children who are blind, disabled, or under the age of 21. The dependents or heirs of an estate can also claim an undue hardship (an action requiring significant difficulty or expense) during the recovery process. If a hardship is granted, DMAS may waive part of all of the recovery, and if denied, the individual is granted an opportunity to appeal the decision.

- I am giving to the Medicaid agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I am also giving to the Medicaid agency rights to pursue and get medical support from a spouse or parent.

- **Does any child on this application have a parent living outside of the home? ☐Yes ☐No**

  If any child on this application has a parent living outside of the home, I know I may be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell Medicaid and I may not have to cooperate.

My right to appeal:

If I think Medicaid, FAMIS or Plan First has made a mistake I can contact them at coverva.dmas.virginia.gov or call **1-855-242-8282**. Instructions for filing an appeal will be included on my notice and are also available on the coverva.org website.

If I think Virginia's Insurance Marketplace has made a mistake, I can appeal its decision. To appeal means to tell someone at Virginia's Insurance Marketplace that I think the action is wrong, and ask for a fair review of the action. I know that I can find out how to appeal by contacting the Marketplace at **1-888-687-1501**. I know that I can be represented in the process by someone other than myself. My eligibility and other important information will be explained to me.

Renewal of Coverage in Future Years:

Your benefits may be automatically renewed depending on your circumstances using electronic sources. If your benefits cannot be automatically renewed, we will send you a renewal form to complete. While your signature on this application is an agreement to the rights and responsibilities listed above, we need special permission to use your tax return information to automatically renew your coverage. You may change your mind at any time about using tax return information by contacting your local Department of Social Services.

I understand that my benefits may be renewed automatically using other data sources. I give Virginia Medicaid permission to use updated income information from my tax returns for the next (check one):

☐5 years ☐4 years ☐3 years ☐2 years ☐1 year ☐Do not use my tax information to renew coverage.
