SUBJECT: DMAS RETURN TO NORMAL MEDICAID ENROLLMENT PROCESS:
PHASE II & III TOOLKIT

The purpose of this toolkit is to provide our community partners, stakeholders, and advocates with messaging and resources to support local and state agencies as Virginia prepares to restart renewals. The goal of the enclosed outreach and engagement messages and resources is to encourage members to review, respond, and renew their health coverage. Since March 2020, the federal Public Health Emergency has helped maintain coverage for members and support health care providers as they delivered care during the historic pandemic.

In order to help members and stakeholders understand any potential impacts and steps they can take to be ready, we have expanded our toolkit to include the second and final stages of our outreach, engagement and communications plan. The outreach and engagement resources include messaging and materials that can be used in various forms of outreach, including print, telephonic communications, and digital media. We encourage stakeholders and partners to use this messaging in all three phases and integrate it into their outreach, engagement, and communications campaigns. Per our previous guidance, partners may modify the outreach language to meet any business need; however, the language of the central messaging in these resources must remain the same to ensure consistency.

The Department of Medical Assistance Services (DMAS) will update this resource and add materials as new federal guidance and additional insights are available. Please visit the Cover Virginia and Virginia Department of Medical Assistance Services websites regularly to make sure you have the latest information and updated resources. As always, if you have any questions or feedback, do not hesitate to contact our team at covervirginia@dmas.virginia.gov.

We are eternally grateful for your continued partnership and commitment to improving the health and well-being of Virginians through access to high-quality health care coverage.

Phase II:

Completing the Renewal Process

Phase II: Completing the Renewal Process

Phase II has begun. Virginia DMAS will continue to encourage members to update contact information, report any changes in circumstances, as well as check for upcoming renewal packets that may come through regular mail for cases that cannot be auto-renewed using existing data sources. Virginia Medicaid will work to make sure that all eligible members maintain coverage while meeting all state and federal laws, rules, and regulations.

Primary Message:

Review, Respond, Renew!

Key Information:

Virginia Medicaid is restarting renewals.

- Medicaid will not cancel or reduce health coverage for our members without asking for updated information.
- Starting in March 2023, Virginia will begin reviewing members' health coverage on a staggered schedule to make sure they still qualify. Members should read all official mail, email or texts asking them for updated information for themselves and their family members to keep their health coverage.
- It is important that they respond right away to avoid losing coverage. Not responding to requests for information may result in loss of health coverage. Terminations of coverage will not occur prior to April 30, 2023.
- It will take an entire year to review and renew all 2.1 million Virginians currently covered by Medicaid. Members should not be concerned if they do not receive correspondence right away.

Member Action Steps:

Review information regarding Virginia's renewal process.

- Carefully read all official mail, email or texts about how to renew their coverage.
- Visit the [Cover Virginia](#) website for updates and resources.
- [Sign up](#) for email and text updates, and follow Cover Virginia on social media.

Respond to official notices from the Department of Medical Assistance Services (Virginia Medicaid), Social Services, Cover Virginia and health plans asking for:

- Updated contact information (mailing address, email address, and phone numbers)
- Key information that will be needed to renew coverage.

Phase II: Completing the Renewal Process

Renew coverage by answering all questions and/or making any necessary changes. This information must be submitted by the due date in one of the following ways:

- Online at commonhelp.virginia.gov using the case number and client ID on the renewal form to associate the member's case to a CommonHelp account;
- Call Cover Virginia at 1-855-242-8282 (TTY: 1-888-221-1590). (Have the requested information gathered and ready to give over the phone);
- By completing the form/documents and sending them in the prepaid return envelope by the due date; or
- By completing the form/documents and submitting them by fax or in person at the member's local [Department of Social Services](#).

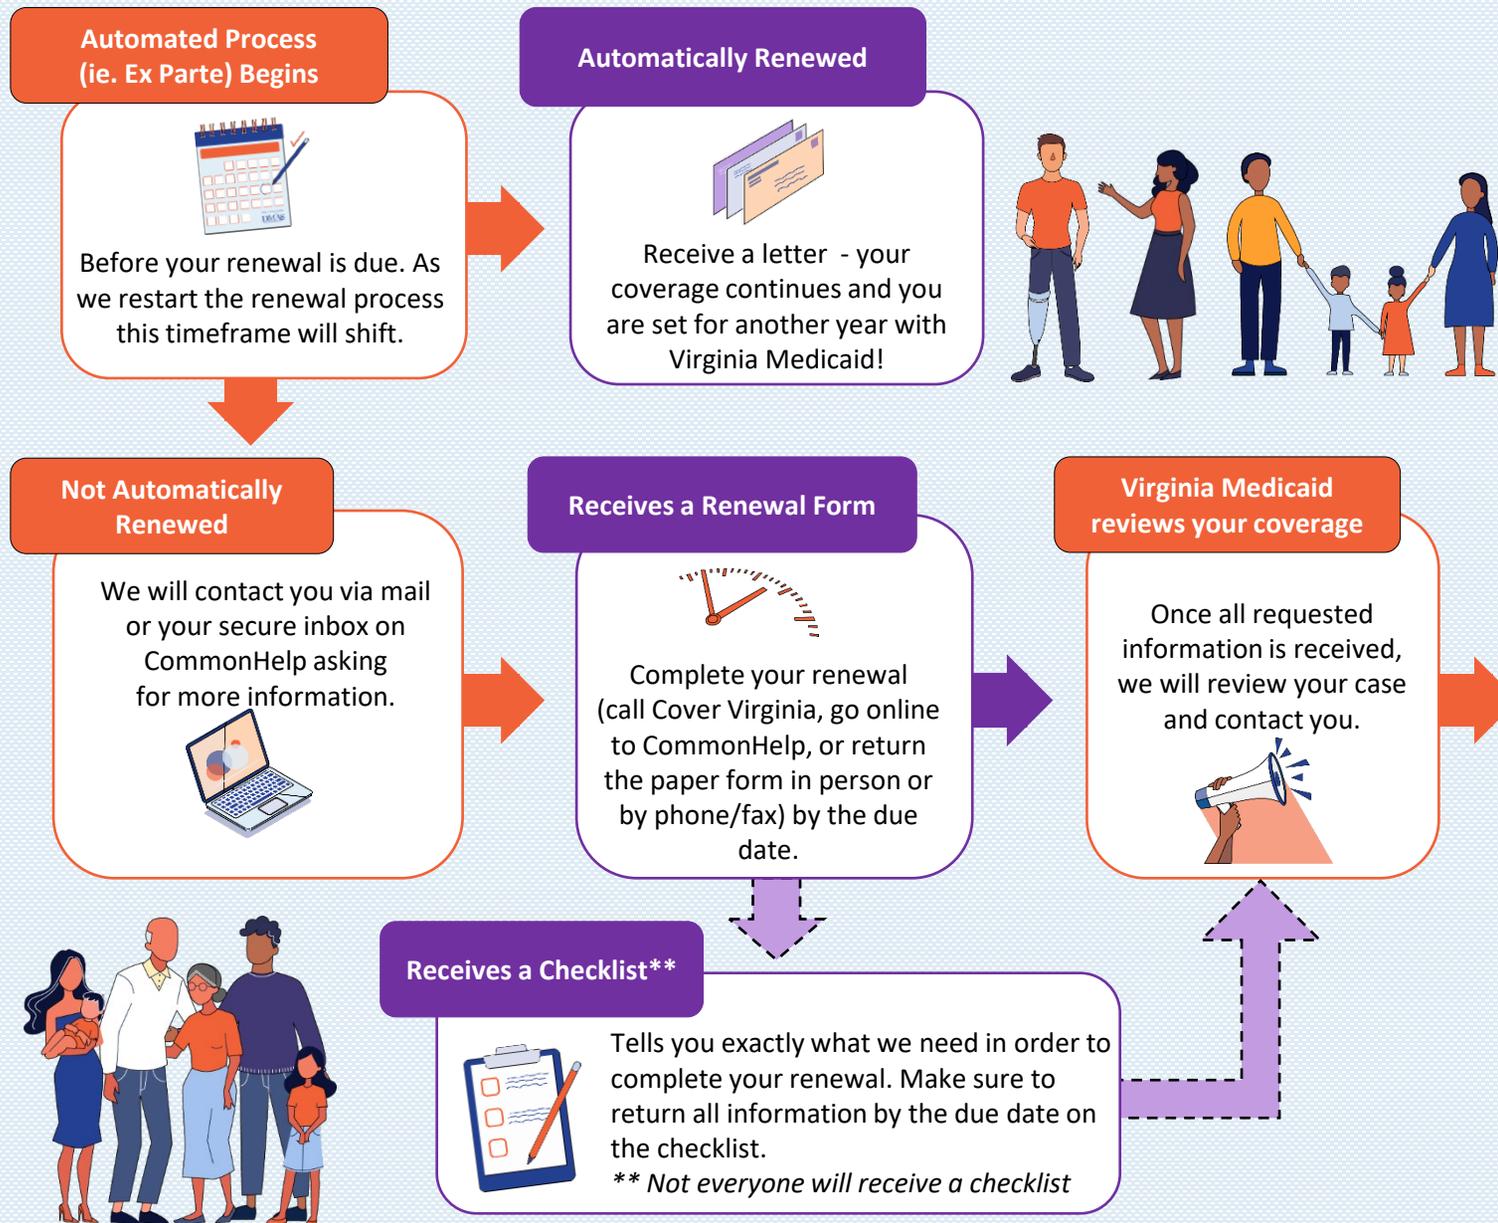

Questions about the form or checklist?

Contact the local [Department of Social Services](#) or Cover Virginia with the information requested when calling. This will help speed the process along. Member scan request to meet with someone at their local agency if needed.

For questions, additional help, or language assistance services or large-print, call Cover Virginia at 1-855-242-8282 (TTY: 1-888-221-1590) or email covervirginia@dmas.virginia.gov.

Renewal Process Flowchart

- Virginia Medicaid Responsibility
- Member Responsibility

If your coverage continues....

You will receive a letter letting you know what you are eligible for.

You are set with Virginia Medicaid!

If your coverage does not continue....

You will receive a letter letting you know next steps*.

If you failed to renew you can return your information within 90 days for review.

Look for important information

If you think we made a mistake, your letter includes information on how to file an appeal.

If your information is referred to the marketplace, they will explore if you're eligible for other coverage.

* If you're no longer eligible for full coverage you can learn more about coverage outside of Virginia Medicaid by going to enrollva.org or calling 888-392-5132. Enroll Virginia has trained assisters, called navigators, who help you sign up for health coverage online or in person. They can compare plans and costs with an easy, anonymous online tool - find out how much financial help you may qualify to receive and get enrolled!

Medicaid Renewal Process Flow Sheet

Understanding the process step-by-step

Before your renewal is due, we will attempt to renew your Medicaid/FAMIS coverage automatically. Note that as we resume our normal redeterminations, the month in which we start your renewal may be different – keep an eye out for communications from us!

If you are automatically renewed, then you will receive a letter letting you know your coverage continues, and your Medicaid health coverage is all set!

If you are not automatically renewed, you will receive something in the mail letting you know that we need more information.

If you receive a renewal form, you will need to take action as soon as possible. The due date will be printed on the form when you receive it. If you'd like, once you receive the form you have multiple options to renew: 1) call Cover Virginia at 1-855-242-8282 (TTY: 1-888-221-1590), 2) or go online to CommonHelp.virginia.gov, or 3) return the paper form in person or by mail or fax. Your form will have the information you need to submit your renewal by phone, online, or on paper.

If you receive a checklist, it will tell you exactly what we need in order to complete your renewal, like your paystubs. You can also return your verifications in person, or by mail or fax, or through CommonHelp. Pay attention to the due date, however, if you need more time or are having difficulties getting the information we need, please reach out as soon as possible so that we can work with you so that we can review your health care coverage in full.

Once we receive your form and all your verifications (if needed), we will review your case. You will receive a letter after your review is complete, letting you know what happened to your coverage. If you are no longer eligible, or are moved from full to limited coverage and you don't have Medicare, we will also send your information to the Marketplace for a review for other coverage and/or the Advanced Premium Tax Credits. If you think we made a mistake, there are appeal rights listed on your letter. Also, if your situation changes, you can always reapply by phone, online, or on paper.

If we don't receive your form or your verifications, your health coverage will end for "failure to renew" and you will receive a letter letting you know when your benefits will close. It is very important that you return your paperwork, even if you think you might not be eligible for two reasons: 1) you may be eligible for coverage you may be unaware of or other programs that provide limited coverage and 2) we cannot send your information to the Marketplace if we cannot review your case. However, if you are closed for a "failure to renew" reason, you have three months after your closure to return the form or verifications in order for us to review your benefits – you don't have to reapply! After the three months if we don't hear from you then you will need to reapply if you would like us to see if you might be eligible again.

If you are no longer eligible for full coverage you can learn more about coverage outside of Virginia Medicaid by going to enrollva.org or calling 888-392-5132. Enroll Virginia has trained assisters, called navigators, who help you sign up for health coverage online or in person. They can compare plans and costs with an easy, anonymous online tool - find out how much financial help you may qualify to receive and get enrolled!

Renewal Process Flow Sheet

Where are you in this process?

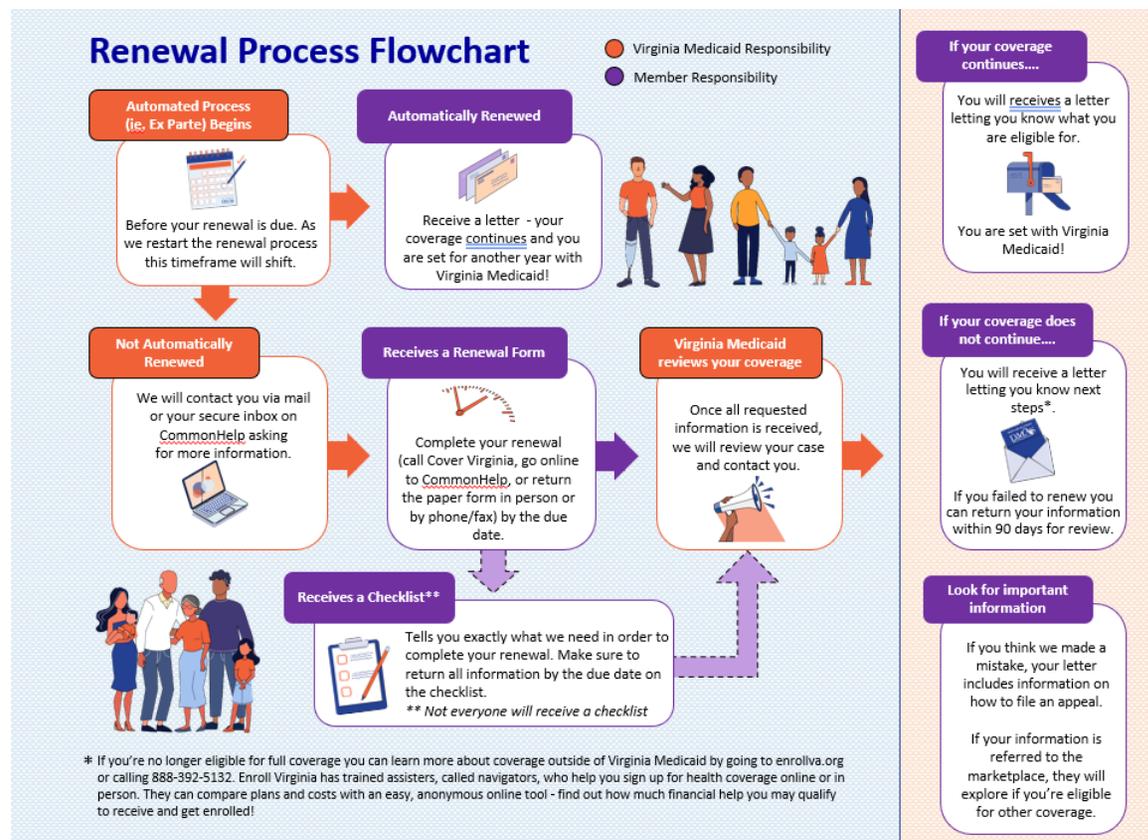

Before your renewal is due, the automated process begins. You will receive something from us whether your benefits continue or if we need more information.

If you receive a letter letting you know you are eligible, you are good to go with Virginia Medicaid!

If you receive a form or checklist, complete it and return it by the due date [the renewal can be submitted by phone at Cover Virginia at 1-855-242-8282 (TTY: 1-888-221-1590), online at CommonHelp.virginia.gov, or in person at your local agency and by mail/fax – information from a checklist can be sent online or in person and by mail/fax. It's very important to return your information so that we can see what you may be eligible for and help send your information to the Marketplace where you may obtain other health care coverage.

If you return your form and all your information, we will review your benefits. You will receive a letter letting you know our decisions, as well as information if you think we made a mistake and how to prepare, and additional steps you can take if your information was referred to the Marketplace.

If you do not return your form or information, then we will close your case for "failure to renew." You will not be referred to the Marketplace, however you have three months after your case closes to turn in that information without needing to reapply. If you return your information and are eligible we will review your case back to when it closed.

You Will Be Hearing From Us!

Starting in March 2023, Virginia will begin reviewing members' health coverage to make sure they still qualify, however closures will not occur prior to April 30, 2023.

Take the following action steps to make sure you stay covered:

- Review information regarding Virginia's renewal process.
 - Read carefully all official mail, email or texts about what you need to do to renew your coverage.
 - Visit the Cover Virginia website for updates and resources.
 - Sign up for email and text updates, and follow Cover Virginia on social media.
- Respond when you get official notices from the Department of Medical Assistance Services (Virginia Medicaid), Social Services, Cover Virginia and your health plan asking you to:
 - Update contact information (mailing address, email address, and phone numbers).
 - Respond to official notices that include a form or checklist about your renewal to confirm that you are eligible.

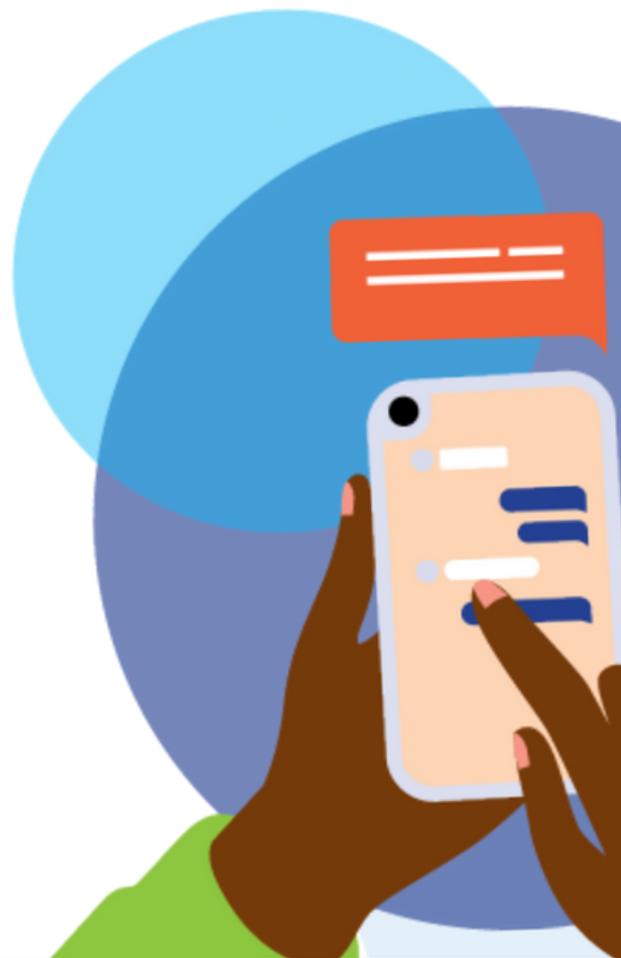

- **Renew your coverage** by sending the information requested by the due date. Answer all questions and make any changes if necessary through one of the following ways:
 - Submit the completed form/documents at commonhelp.virginia.gov using the case number and client ID on your form to associate your case with your account.
 - Call Cover Virginia at 1-855-242-8282 (TTY: 1-888-221-1590) to submit your renewal information. Have the requested information gathered and ready to give over the phone.
 - Mail the completed form/documents to the address listed on the form or checklist by the due date. Medicaid will send you a prepaid return envelope, or you can turn in the form/documents by fax or in person at your local Department of Social Services.

Questions about the form or checklist?

Call your local Department of Social Services or Cover Virginia. Have the requested information gathered when you call so we can answer your questions. You can request to meet with someone at your local agency if needed.

Phase III:

Losing Coverage- Next Steps (Reconsideration Period)

Phase III: Losing Coverage– Next Steps (Reconsideration Period)

For the final phase, Virginia Medicaid will continue work to make sure that all eligible members maintain coverage while meeting all state and federal laws, rules and regulations. When some individuals are found to be ineligible for Medicaid, Virginia will electronically transfer their information to Virginia's Insurance Marketplace, where other health care coverage options are available.

Primary Message:

It is important for all eligible Virginians to get and stay covered.

Key Information:

If members no longer qualify for health coverage from Virginia Medicaid, they will get:

- Notice of when the Medicaid coverage will end,
- Information on how to file an appeal if the member thinks we made a mistake, **and**
- A referral to Virginia's Insurance Marketplace and information about buying other health care coverage.

Member Action Steps:

- **Learn more** about buying health coverage through Virginia's Insurance Marketplace.
 - Read carefully all official mail, email, or texts about what you need to do if you do not qualify for Virginia Medicaid.
- **Sign Up** for coverage on Virginia's Insurance Marketplace at marketplace.virginia.gov or by calling 1-888-687-1501. There are special rules that allow those who have lost Medicaid to apply for health insurance and subsidies.
 - Compare plans and costs with an easy, anonymous online tool
 - Find out how much financial help you may qualify to receive
 - Get enrolled!
- **Get help!** Trained assisters, called navigators, provide free, in-person and virtual assistance with the Marketplace application and the enrollment process. Find your local navigator at enrollva.org or 1-888-392-5132.
 - If members have any questions or need help connecting to Enroll Virginia they can email us at covervirginia@dmas.virginia.gov.

It Is Important for All Eligible Virginians to Get and Stay Covered!

Unless members have died, moved from the state permanently, or asked to end their coverage, Virginia Medicaid will not cancel their coverage without first asking for updated information to check and make sure they are no longer eligible.

IMPORTANT NOTES:

Keep your eye out for any mail regarding your health care coverage so that you can return your information by the due date.

Even if you think you might not be able to keep your Medicaid health coverage, please return your information anyway so Virginia Medicaid can look at your case. If you are no longer eligible, we will send your full information to Virginia's Insurance Marketplace for a review.

If you do not return the information we need to review your case, your Medicaid will be ended but your information will not be sent to Virginia's Insurance Marketplace to check if you are eligible for other low-cost coverage or the Advanced Premium Tax Credits. If you lose Medicaid because you did not return the information, you will have 90 days to submit it so we can review your coverage.

PLAYING AN IMPORTANT ROLE IN PREVENTATIVE CARE

Good health is the foundation for stable employment, education, and maintaining social connections that support positive mental health. Virginia's free and charitable clinics provide accessible, comprehensive and quality preventative care as well as chronic care. This helps uninsured individuals remain healthy while reducing unnecessary visits to the emergency room and avoidable hospital admissions.

RESPONSE TO COVID-19 PANDEMIC

Clinics remained open throughout the pandemic, helping to keep patients healthy and out of crowded emergency rooms during the worst of the COVID-19 surges. Never pausing in their commitment to excellence, clinics found new and innovative ways to reach and serve patients. Many of these positive changes remain in place as clinics work to better serve vulnerable populations moving forward.

***Project Connect* Application Assisters**

What is *Project Connect*?

Since 1999, Application Assisters (AA) from the Virginia Health Care Foundation's (VHCF) *Project Connect* initiative have helped more than 133,000 Virginians enroll in or renew their eligibility for Medicaid or FAMIS coverage.

These specially trained AAs are located in areas of the state with high numbers of uninsured Virginians. They work closely with local schools, medical providers, health departments, childcare providers, faith-based organizations, and businesses to identify those who are eligible for coverage. They provide 1:1 help completing applications and coordinate with the state call center or the applicant's local Department of Social Services to solve problems, as necessary.

In addition, *Project Connect* AAs contact members they've helped, to remind them to renew their Medicaid/FAMIS each year.

Project Connect Application Assisters also:

- Conduct public awareness and outreach campaigns/activities in their communities;
- Develop and sustain referral partnerships with community organizations;
- Present information about the Medicaid/FAMIS programs to individuals and small groups;
- Educate individuals and families about Medicaid/FAMIS; and
- Assist with and participate in community outreach events.

How do I find my local *Project Connect* Application Assister?

A coverage map, including *Project Connect* Application Assisters' contact information, is attached. For updated contact information for *Project Connect* Application Assisters, please go to vhcf.org/who-and-how-we-help/medicaid-famis-outreach-enrollment/project-connect/.

What is the best way to contact a *Project Connect* Application Assister?

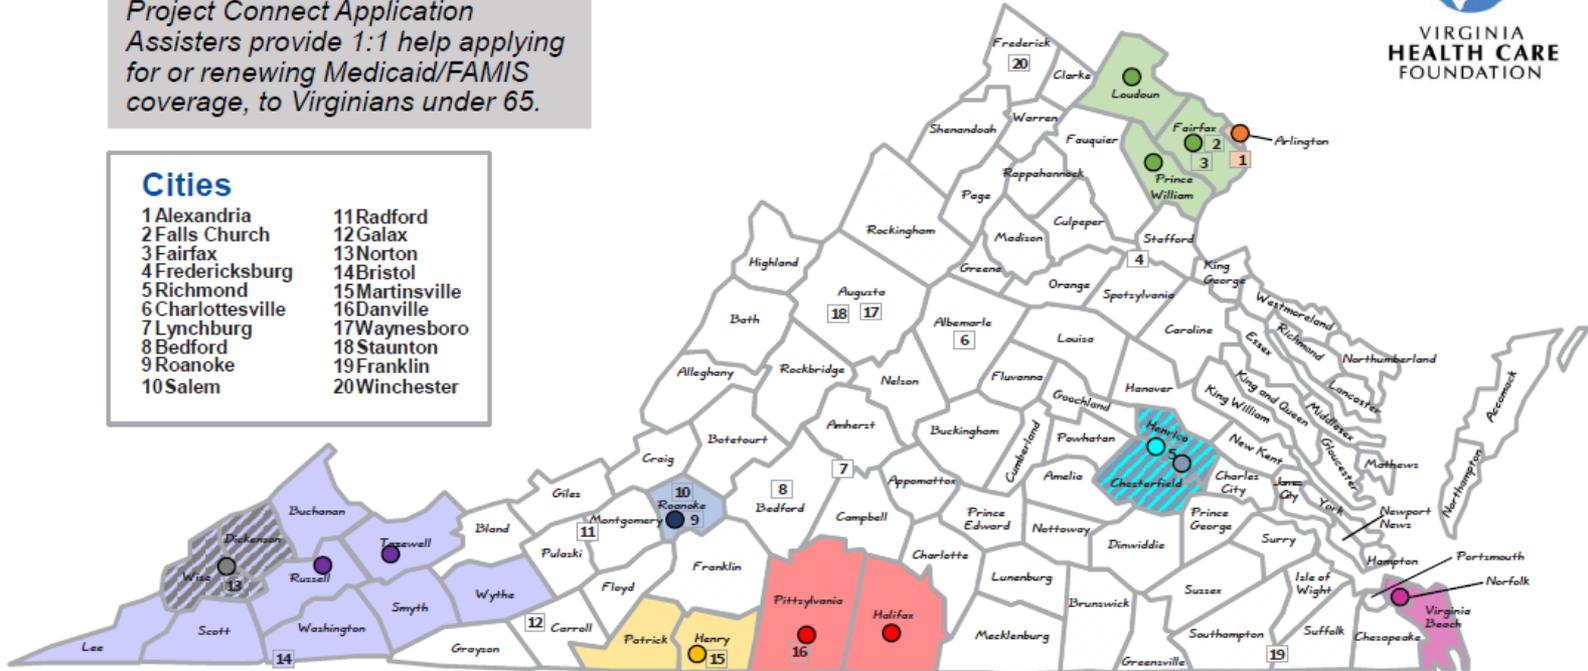

Assisters are available by phone or email. You can also call VHCF at 804-828-6062, or email signupnow@vhcf.org, for help connecting with your local *Project Connect* Application Assister.

Get covered. Stay covered.

Have peace of mind and find affordable, high-quality health coverage with the Marketplace or Medicaid!

Key Things to Remember

- More financial assistance is available now than ever before on the Marketplace.
- Outside of Open Enrollment, you can enroll in Marketplace coverage **ONLY IF** you qualify for a “Special Enrollment Period” due to certain life changes (e.g. loss of other coverage, permanent move, change of income, marriage).
- Unlike the Marketplace, Medicaid accepts applications year-round.
- There is no tax penalty if you don’t have health insurance in 2022, but staying covered is **SMART!** You never know when you might get sick or have an accident.
- Marketplace and Medicaid enrollees need to shop for the right plan that fits their budget and includes their doctors, hospital, and medicines.
- Local help is available in your community!

Updating Your Contact Information Online: CommonHelp - www.commonhelp.virginia.gov

You may have used CommonHelp to apply for health care coverage or other benefits, but did you know you can report changes and submit your renewal online? To make sure we can reach out to you during your annual renewal for health care coverage, we need your contact information. You can check your current information and make updates by associating your case to your CommonHelp account!

If you've applied in the past you may already have an account, but if you don't remember or don't have an account you can navigate to [Check benefits](#) on the CommonHelp homepage. You can then click a link to create an account. Once you create your account, you can use the Manage function to associate your case to your account using your VaCMS case and client numbers found on your most recent notice you were sent about your health care coverage.

CommonHelp has a number of guides and videos that can walk you through several processes during and after applying. Navigate to the [New to CommonHelp?](#) link on the main page in the [About Benefits](#) section!

The Department of Medical Assistance Services (DMAS) will update this resource and add materials as new federal guidance and additional insights are available. Information about unwinding can be found on the Cover Virginia website at www.coverva.org/en/phe-planning
